Popis

VC eCard Payment Interface for E-SHOP Payment on VirtueMart

v.3.0.4, VirtueMart 3.x,
CMS Joomla 3.x.

Service [eCard VUB](#) Integrates the payment interface for payment by VISA, MASTERCARD, MAESTRO, Diners Club, AMEX payment cards for merchants who have their trading account in the VUB Bank. Simply choose a payment via eCard VUB, then the buyer will be redirected to the VUB eCard payment gateway, where it will make a payment via a payment card. The advantage of this solution is the short time of crediting all successful payments to the VUB bank's merchant account. The system offers the option of settling payments in currencies of other countries (eg CZK, PLN, HUF, USD).

Plugin just install VirtueMart 3 to fill in data received from VUB Bank and start using.

Plugin language versions: **SK, CZ, GB**

The payment plugin has an interface for automatic update from Joomla administration. In this way, we provide customers who have purchased this product in the future automatically and free of charge to update to the latest versions. This plugin is licensed [GNU/GPL](#).

This version of the payment plugin has payment authorization and supports version 2 with the base64 encoded SHA512 algorithm.
